# 400 New Homes in Wirral

## WPH unveils development

WPH has received approval from the Homes and Communities Agency to go ahead with the development of 400 new affordable homes over the next four years.

The first four homes are already in place in Royden Road, Overchurch and further building is planned for WPH sites in Woodchurch, Rock Ferry, West Kirby, Wallasey, Moreton and Pensby.

## Getting Creative Brightening up Bridge Court

WPH teamed up with **Zap Graffiti Arts** in the October Half Term to brighten up boarding on a development site in West Kirby.

Everyone enjoyed the opportunity to be creative and the resulting paintings can be seen on the side of WPH's Bridge Court site near the Concourse.
